

REMARKS

The present amendment is being submitted in order to insert the patent status of the parent application and to add claims 34 to 43. Claims 34 to 42 are directed to the method of treating fungal infections and claim 43 is directed to a preferred embodiment of the invention.

Support for the claims is clearly shown in the application. Claim 34 is supported in lines 51 to 55 of column 5 of the parent patent. Claim 35 is supported in lines 33 to 26 of column 5. Claim 36 is supported in lines 37 to 44 of column 5. Claim 37 is supported in lines 45 to 57 of column 5. Claim 38 is supported by line 61 of column 5, claim 39 is supported in line 65 of column 5 and claim 40 is supported in line 20 of column 6. Claim 41 is supported in lines 11 to 13 of column 6, claim 42 is supported in lines 11 to 13 of column 6 and claim 43 is supported in line 2 of column 1 and line 65 of column 4 of the issued patent. Therefore, no new matter has been added by this amendment.

The claims in the application are now 28 to 43, all other claims having been cancelled. Applicants are submitting herewith PTO Form-2038 authorizing the \$172.00 additional filing fee for two more independent claims in excess of three
